

Work-Based Learning

Work-Based Learning MISSION

To provide educational and occupational experiences for students that will assist them in becoming productive citizens in the community.

Work-Based Learning PURPOSE

- To enable students to develop the skills necessary for success in the world of work and postsecondary education.
- To provide students with an individualized program of study that relates classroom study to the work-site experience.

Work-Based Learning GOAL

To provide students with a career experience which will:

- Challenge their abilities
- Increase their knowledge
- Arouse their curiosity
- Stretch their imagination

WBL Requirements—Students apply for the program during their sophomore year in high school. Eligible students must have a career interest in the WBL area and:

- Be in the eleventh or twelfth grade
- Be on track for graduation (Counselor sign-off)
- Have no more than 10 days absent during each previous school year
- Good Discipline Report
- Have parental/guardian approval for entry into the program
- Three teacher recommendations
- Provide their own transportation to and from the worksite

Student Name _____
